GREG WHITE BASKETBALL 2011

Dear Campers and Parents:

As a basketball coach and as a former basketball player, I realize how important it is to make the right selection of a summer basketball camp. I have attended hundreds of basketball camps and I can assure you that the opportunities offered by GREG WHITE'S BASKETBALL CAMP are second to none. Our goals are simple—we want to offer you the absolute best basketball learning opportunity possible—a very intense learning experience that is still positive and fun! Our unique format and outstanding staff will allow us to accomplish that!!

Our camp will stress fundamental skills and allow a variety of competitive opportunities to learn and to help you develop. It is a camp that will place great emphasis on personal qualities that are directly related to success and achievement. I will be present daily and feel very confident that I can help campers improve, regardless of their skill level at this stage of their career. Our entire staff will personify the skills, attitudes and personal qualities we wish to emphasize. Think BIG!

Sincerely,
Greg White

-Doug Erickson,

"I grew up in Coach White's camps. Greg is the most powerful, energetic, motivated individual I've ever been associated with. Without a doubt, the best camp guy out there."

-Donnie Jones,

"Coach White teaches great basketball! But his teaching of basic values such as self-discipline, courtesy, parental respect and teamwork are just a few concepts that he teaches that really stand out. My kids loved it."
